FITNESS OF WORKERS

Under the Care Homes Regulations 2001, it states that a person should not work at a home unless the person is fit to work within that setting.

This applies to all positions in which a person may come into contact with a Service User.

A person is not deemed fit to work in the home unless he /she is

- a) of integrity and good character
- b) has qualifications suitable to the work that they are to perform , and /or skills and experience necessary for such work ;
- c) is physically and mentally fit for the purposes of the work which is to be performed at the care home
- d) able to provide full and satisfactory information in relation to his/her employment, 2 References, ID, Birth Certificate, Relevant Qualifications, Details of any Criminal Convictions.

I declare that I meet the requirements and consider myself to meet all the criteria stated above and am fit to work in the position offered to me as a _____

I have seen the Job Description and believe I meet all the relevant criteria as stated above, and should I be unfit, or become unfit to do the job as described I will inform the company as soon as possible, and should I not do so, then I cannot hold the company responsible for any injuries sustained to myself or others and understand my legal responsibility in relation to this.
